

ProTape[®]

BAG SEALING TAPE

Alliance offers a full line of bag sealing tapes with eco-friendly options and dispensers for fast and efficient application.

ProTape®

BAG SEALING TAPE

ProTape® Bag Sealing Tape is ideal for sealing produce bags, baked goods, bulk candy, floral arrangements, industrial parts, hardware, and much more. Available in a wide range of colors and base materials for an array of packaging needs, these tapes are easily cut by hand or, for faster repeat applications, we also offer convenient bag sealing tape dispensers. The easy-to-use dispensers are reliable and do not require any training prior to use. With our ProTape® Bag Sealing Tapes, you can:

- Color Code Perishables
- Seal Produce Bags
- Easily Package Baked Goods for Sale
- Label Bulk Candy to Indicate Purchase
- Neatly Wrap Stems for Floral Arrangements
- Efficiently Bundle Industrial Parts & Hardware
