SUPERSIZE BANDS™

A super-sized job calls for a super-sized band. These 12" red, 14" green, and 17" x 1/4" blue bands come in a resealable poly bag and are recommended for:

- Holding 44 gallon cans (12" & 14") & 55 gallon drum liners (17" only)
- Securing protective coverings around sub-assembled or finished goods
- Furniture covers
- Bundling carpets, mats and packages
- Holding odd sizes and shapes
- Keeping containers tightly closed when not in use
- Holding carton flaps open for picking and packing
- Holding breakables gently, without crushing
- Holding glued parts together until set during manufacture
- Keeping loads in place for transit and storage

VALUE

SuperSize Bands™ can handle the big jobs in any plant or warehouse. They are reusable and more economical than twine or strapping and eliminate the need for expensive application equipment.

WHERE TO SELL

Supersized bands are designed to meet the unique application needs of the industrial market. Manufacturers, utility, and shipping companies of all sizes trust these bands for their superior quality and performance. Places that use SuperSize Bands™:

- Contract Manufacturers
- Multi-Stage Production Facilities
- Ballparks
- Window & Door Manufacturers
- Parks & Recreation
- Racetracks
- Casinos
- Concession Stands
- Users of Jan/San and liner bags

TIPS

Industrial users of rubber bands generally have high standards. SuperSize Bands™ appeal to their needs by offering a solution that is easy to apply and remove and offers savings in time and money.
