

PALLET BANDS

Economical and easy to use, Pallet Bands stabilize and secure palletized items during movement within a facility. No longer waste time applying and reapplying stretch wrap or tape, when Pallet Bands can be applied and removed in seconds. Reusable Pallet Bands create significant savings with no equipment and minimal storage space required.

PALLET BANDS

LOWER MATERIAL COSTS & LABOR COSTS

Why waste time with stretch wrap or tape? These strong, reusable bands are easy to apply, economical, and save time on the job.

Pallet Bands help to secure pallets so that they can be moved quickly and safely from station to station or put in overhead storage racks. They go on in seconds and can be removed just as quickly. Pallet Bands allow air to flow freely through the entire pallet allowing coolers, chillers, and freezers to quickly and evenly cool pallet loads, and, unlike shrink-wrap, they will not trap unwanted moisture.

- Color-coded by size
- Excellent for use on furniture or as mover bands
- Ribbed for extra holding strength and durability
- Provide outstanding pallet load stabilization
- Reusable for reduced packaging waste and lower costs
- Easy on, easy off in just seconds
- No expensive equipment or tools required
- Won't tear box surfaces
- Will secure protective covers to prevent dust on loads

VALUE

These bands can not only lower your material costs but also lower the labor costs associated with workers circling round and round pallets as they apply and remove costly, one-time-use materials. There are no additional tools or expensive machinery to buy or maintain.

ITEM #	DESCRIPTION	INNER	CASE/MIN
2403206	72" Blue* (72" x 1" x 1/16") • Fits 32" x 40" - 36" x 36" Pallet	12	144
2403203	84" Yellow* (84" x 1" x 1/16") • Fits 36" x 42" - 36" x 48" Pallet	12	144
2403204	92" Red* (92" x 1" x 1/16") • Fits 40" x 48" - 48" x 48" Pallet	12	144
2403207	112" Green* (112" x 1" x 1/16") • Fits 48" x 48" - 48" x 60" Pallet	12	144

* Size is circumference of band

TIPS

Stabilization for most pallet loads can be achieved with just one properly sized rubber Pallet Band. Multiple Pallet Bands can be used to meet unique pallet load requirements.
